SEARCH NOTES (INCLUDING SEARCH STRATEGY)		
	DATE	EXMR
This case does not properly go into class 106 because it is a method of molding and shaping. However SPE's from both art units to Class 264 did not accept this case so it needed to be done. Nevertheless, Sean Vincent from class 264 provided the proper search for Class 264 as 264/660, 666, 675	3/13/06 JM
